Welcome

In the Zone Party Rentals Ltd. is the premiere casino party company in Northern Alberta. We offer casino quality equipment and professionally trained dealers to create a realistic night of casino entertainment. Our mission is to provide your guests with a fun filled and exciting evening of casino entertainment.

Our casino theme parties are great for your next fundraising event, corporate function, or private party. We welcome the opportunity to talk with you about your needs and help you plan an evening that your guests will truly enjoy.

Casinos run for approximately 3 hours.

Packages are based on a discounted rate and tables cannot be substituted.

The customer is responsible for supplying prizes at the end of the night to be auctioned or raffled.

We also recommend purchasing gag prizes, which are given out at the tables throughout the night, these are always the best, ***be creative!***
